

Schedule of changes

For clarity these are set out in the order of the Plan E Submission document. The source of the change (e.g. agreed at hearing) is identified in the final column.

Source of changes include:

- Changes agreed at the hearing
- Changes proposed after the hearing by 15 October (Annex 1)
- Changes proposed at submission ‘Schedule of Proposed Pre-Examination Changes’ (Annex 2)
- Changes suggested in response to GOSE comments (Response to Inspectors questions, June 2010, supporting document 1)
- Changes suggested following the revocation of the South East Plan (Annex 3)
- Changes suggested in the Council’s written responses to the Main Matters (where not directly discussed at the hearing)
- Suggested editorial changes

Ref	Policy / Paragraph / Page	Existing Text	Proposed Change	Source and reason for change	Minor or change requiring consultation
1	Front cover	Plan E	Add wording ‘Area Action Plan’	Agreed at hearing To improve clarity	Minor
2	Para 1.9, page 6	‘Epsom Town Centre is the main focus for economic activity within the Borough. It is classified as a secondary regional centre in the South East Plan.’	Delete reference to South East Plan: ‘Epsom Town Centre is the main focus for economic activity within the Borough. It is classified as a secondary regional centre.’	Changes suggested following the revocation of the South East Plan	Minor
3	Para 2.5, page 9	Under bullet point: Opportunities for low carbon energy generation ‘Achieving a reduction in CO2	‘Achieving a reduction in CO2 emissions is a national target, reflected in the Surrey Climate Change Strategy, <u>the</u> Surrey Local Area Agreement <u>and the Council’s Climate Change Action Plan.</u> ’	Changes suggested following the revocation of the South East Plan	Minor

		emissions is a national target, reflected in the South East Plan, the emerging Surrey Climate Change Strategy, and Surrey Local Area Agreement.'			
4	Footnote 4, page 9	'The Borough wide housing target is set out in the South East Plan under Policy H1'	'The Borough wide housing target is set out in the <u>Core Strategy under Policy CS7.</u> '	Changes suggested following the revocation of the South East Plan	Minor
5	Para 3.25, page 23	Second sentence 'The issues that influence the visions for these areas are expressed on Map 1.'	'The issues that influence the visions for these areas are expressed on <u>Maps 2 to 7.</u> '	Suggested editorial change	Minor
6	Policy E1, Page 30	"The Town Centre boundary identifies the area to which the Plan E policies and Core Strategy Policy CS14 principally apply. In principle, Town Centre uses will be permitted within this area, subject to other relevant policies..."	"The Town Centre boundary identifies the area to which the Plan E policies and Core Strategy Policy CS14 principally apply. <u>The Plan Area Boundary defines a wider area where some Plan E policies also apply.</u> In principle, Town Centre uses will be permitted within this area <u>the Town Centre boundary</u> , subject to other relevant policies..."	Suggested changes introduced to provide clarity	Minor
7	Para 4.10,	First sentence	'For planning purposes, it is <u>important</u> to define the	Change proposed at	Minor

	page 30	'For planning purposes, it is useful to define the extent of the Town Centre area'	extent of the Town Centre area'	submission to strengthen the sentence	
8	Para 4.10, Page 30	'...Defining a boundary will direct town centre uses such as retail, leisure and business to appropriate parts of the town'.	'...Defining a boundary will direct town centre uses such as retail, leisure and business to appropriate parts of the town. <u>The identified Town Centre boundary encloses an area where these town centre uses are concentrated. The boundary excludes the predominantly residential areas that surround Epsom Town Centre. Commercial, healthcare and education uses that are located beyond the boundary and are separated from the Town Centre by residential areas are also excluded</u> '.	Suggested change proposed following examination hearing – in order to set out the rationale behind the Town Centre boundary	Minor
9	Para 4.11, Page 30	'The boundary identifies the extent of the Town Centres commercial activity and where possible has excluded areas which are primarily residential. The Council acknowledges that many of the areas outside of the boundary have important links with the Town Centre, for example, Roseberry	'The boundary identifies the extent of the Town Centres commercial activity and where possible has excluded areas which are primarily residential. The Council acknowledges that many of the areas outside of the boundary have important links with the Town Centre, for example, <u>Epsom Hospital, Roseberry Park and the University for the Creative Arts. Their exclusion by no means devalues their importance to the continued vitality and viability of the Town Centre .</u> '	Suggested change proposed following examination hearing – in order to set out the rationale behind the Town Centre boundary	Minor

		Park and the University for the Creative Arts. Their exclusion by no means devalues their importance.'			
10	Para 4.13, Page 30	'The boundary of Epsom Town Centre can be seen on Map 8'.	' The boundary of Epsom Town Centre <u>and Plan Area boundaries</u> can be seen on Map 8'.	Suggested changes introduced to provide clarity	Minor
11	Policy E2, page 31	Third paragraph 'Gas Holders site, East Street: Approx 250 units'	' <u>Utilities site</u> , East Street: Approx 250 units'	Post hearing change To ensure consistency with the remainder of the Plan	Minor
12	Para 4.15, page 31	The South East Plan sets a housing target for the period between 2007- 2026. The Town Centre will provide an important source of housing land supply to assist in meeting the targets set out within the South East Plan. It is an appropriate location for higher density developments although delivering a mix of dwelling sizes will also be important to help meet the	<u>The Borough wide housing target (footnote 10) is set out in the Core Strategy under policy CS7.</u> The Town Centre will provide an important source of housing land supply to assist in meeting the targets set out within the <i>Core Strategy</i> . It is an appropriate location for higher density developments although delivering a mix of dwelling sizes will also be important to help meet the needs of the Borough. Town Centre housing sites could help to meet <u>approximately 22%</u> of the borough-wide housing target <u>for the remaining</u> plan period. Footnote: 10 A dwelling that contributes towards the borough wide housing target is defined (in line with the 2001 Census) as a self- contained unit of accommodation. Self-containment is where all the rooms (including kitchen, bathroom and toilet) in a	Change proposed after the hearing by 15 October To reflect the latest position and identify what forms of development can contribute towards the Borough's housing target This change supersedes that identified in the Council's suggested in response to GOSE comments	Minor

		<p>needs of the Borough. Town Centre housing sites could help to meet between 16% - 20% of the borough-wide housing target during the plan period. Evidence from the current Annual Monitoring Report ^(footnote 10) indicates that existing housing developments located within the Town Centre that are either committed ^(footnote 11) or under construction will contribute about 12% towards the projected five year supply.</p> <p>Footnotes: 10 The LDF Annual Monitoring Report 2008/09 Table 6: Housing Trajectory 11 With an extant planning permission</p>	<p>household's accommodation are behind a single door which only that household can use.</p> <p>Ancillary dwellings such as 'granny annexes' are included provided they are self-contained, pay separate council tax from the main residence, do not share access with the main residence (e.g. a shared hallway) and there are no conditional restrictions on occupancy.</p> <p>Establishments providing managed residential accommodation are not counted in the housing supply. These cover university and college student accommodation, hospital staff accommodation, hostels/homes, hotels/holiday complexes, defence establishments (not married quarters) and prisons. However, purpose-built (separate) homes (e.g. self-contained flats clustered into units with 4 to 6 bedrooms for students) are included. Each self-contained unit should be counted as a dwelling.</p>		
13	Para 4.16, page 31	Potential sources of housing within the	Potential sources of housing within the Town Centre have been assessed as part of the evidence	Agreed at hearing To include a phasing	Minor

		<p>Town Centre have been assessed as part of the evidence base; Strategic Housing Land Availability Assessment (SHLAA) (footnote 12) & Town Centre Health Check, and throughout the development stages of Plan E. This information has been used to identify a potential yield of new residential units from sites within the Town Centre.</p> <p>Footnote: 12 Epsom & Ewell SHLAA para 4.2 Town Ward</p>	<p>base; Strategic Housing Land Availability Assessment (SHLAA) (footnote 11) & Town Centre Health Check, and throughout the development stages of Plan E. 14	New appendix		<p>Addition of Appendix 4 Opportunity Sites housing phasing table In addition to the details of the new appendix set out in the Councils responses to the Inspector's Main Matters (appendix 5), the appendix will also contain a hyperlink to the current housing trajectory on our website.</p>	Agreed at hearing	
15	Policy E2, page 31	'New development will deliver between	'New development will deliver <u>at least 635 new residential units</u> during the period between 2010	Agreed at hearing To bring policy in	Minor

		635 and 775 new residential units within the Town Centre during the period between 2010 and 2026'	and 2026'	line with PPS3 minimum targets	
16	Policy E3, page 32	Final sentence 'It should be noted that projections beyond 2018 should be treated with caution.'	Replace final sentence with text below: <u>'Retail growth should be directed to the Primary Shopping Area in the first instance. All retail proposals must be subject to the sequential test, and those proposals above capacity in edge and out-of-centre locations must be tested robustly against the impact test (PPS4, 2009). The floorspace threshold must take account of the cumulative effect of recent permissions, developments under construction and completed developments.'</u>	Change suggested in the Council's written responses to the Main Matters (MM2, Q5) To ensure any proposals above the thresholds set out in Policy E3 are robustly tested in accordance with PPS4.	Medium significance. Potential need to consult as change provides the opportunity for a larger store to be considered at the planning application stage.
17	Para 4.19, page 32		Add text after final sentence: 'A glossary of retail terms can be found in Appendix 5'	Agreed at hearing To improve clarity	Minor
18	New appendix		Addition of Appendix 5 Retail Glossary Definitions from Planning Policy Statement 4: Planning for Sustainable Economic Growth Town Centre: Defined area, including the primary shopping area and areas of predominantly leisure, business and	Agreed at hearing	Minor

¹ For office development, locations outside the town centre but within 500 metres of a public transport interchange, including railway and bus stations, within the urban area should be considered as edge-of-centre locations for purposes of the sequential approach

			<p>other main town centre uses within or adjacent to the primary shopping area.</p> <p>Primary Shopping Area: Defined area where retail development is concentrated (generally comprising the primary and those secondary frontages which are contiguous and closely related to the primary shopping frontage).</p> <p>Primary Frontage: Primary frontages are likely to include a high proportion of retail uses.</p> <p>Secondary Frontage: Secondary frontages provide greater opportunities for a diversity of uses.</p> <p>Edge-of-Centre For retail purposes, a location that is well connected to and within easy walking distance (i.e. up to 300 metres) of the primary shopping area. For all other main town centre uses, this is likely to be within 300 metres of a town centre boundary¹. In determining whether a site falls within the definition of edge of centre, account should be taken of local circumstances. For example, local topography will affect pedestrians' perceptions of easy walking distance from the centre. Other considerations include barriers, such as crossing major roads and car parks, the attractiveness and perceived safety of the route and the strength of attraction and size of the town centre. A site will not be well connected to a centre where it is physically separated from it by a barrier such as a major road, railway line or river and there is no existing or</p>		
--	--	--	--	--	--

			<p>proposed pedestrian route which provides safe and convenient access to the centre.</p> <p>Out-of-Centre A location which is not in or on the edge of a centre but not necessarily outside the urban area.</p> <p>Out-of-Town An out-of-centre development outside the existing urban area.</p>		
19	Para 4.21, page 32		<p>Add sentence after second sentence ending ‘...protect the main retail areas.’ <u><i>‘3,000sq m of retail floorspace has been allocated in two of the strategic opportunity sites; 2,000sq m in the Depot Road and Upper High Street site and 1,000sq m in the Epsom Station site.’</i></u></p>	<p>Change suggested in response to GOSE comments To provide clarity as to where retail floorspace is expected to be delivered</p>	Minor
20	Policy E4, page 33	<p>‘Primary Retail Frontages Within these frontages, as defined on the Proposals Map, the percentage of A1 uses will not fall below 66%.’</p>	<p>‘Primary Retail Frontages Within these frontages, as defined on the Proposals Map, the percentage of A1 <u>units</u> will not fall below 66%.’</p>	<p>Agreed at hearing To clarify how the policy will be applied and monitored</p>	Minor
21	Policy E4, Page 33		<p>Remove space between third and fourth paragraph in the policy (sentences ‘A5 uses will not be permitted’ and ‘Other uses will be permitted...’)</p>	<p>Change proposed at submission To improve the clarity of the policy</p>	Minor
22	Policy E4, Page 33		<p>Addition of footnote after the wording ‘significant break’ Footnote text: Generally no more than two</p>	<p>Agreed at hearing To improve the clarity of the policy</p>	Minor

			adjoining units, but will be assessed on a case by case basis.		
23	Various: Contents page, Title of Policy E4, two references within policy E4, two references within para 4.23, paras 4.26, 4.29, 5.65, 5.67, two references within Appendix 3 and Map 8	'Town Centre Retail Area'	'Primary Shopping Area'	Agreed at hearing To ensure consistency with PPS4	Minor
24	Para 4.23, page 33		Delete sentence 'It could stimulate opportunities to achieve higher levels of energy efficiency through redevelopment and provide the basis to integrate/share new energy capacity.'	Change suggested in response to GOSE comments Sentence is out of context	Minor
25	Policy E5, Page 35	First sentence 'New development will deliver between 6,000 – 7,000sq m of new employment floorspace within	'New development will deliver <u>around</u> 6,000sq m of new employment floorspace within the Town Centre during the period until 2026.'	Change suggested in the Council's written responses to the Main Matters (MM2, Q7) To remove the range	Minor

		the Town Centre during the period until 2026.'			
26	Para 4.33, page 35	Final sentence 'These are considered more fully in Chapter 5'	Delete sentence and replace with: <u>'5,000sq m of commercial floorspace has been allocated in the Utilities Site, East Street and 1,500sq m within the Station Site, Epsom.'</u>	Change suggested in response to GOSE comments Provides clarity to where employment floorspace is expected to be delivered	Minor
27	Para 4.34, page 36	Final sentence 'Opportunity sites where new hotel accommodation could be considered are considered under Chapter 5.'	'Opportunity sites where new hotel accommodation could be <u>located</u> are considered under Chapter 5.'	Agreed at hearing To improve wording	Minor
28	Policy E6, page 36	'The overall level of leisure provision within the Town Centre will be maintained and in specific locations enhanced. Leisure and cultural facilities, and other family friendly uses that contribute to the evening economy will be supported.'	'The overall level of leisure provision within the Town Centre will be maintained and in specific locations enhanced. <u>Suitable locations for enhancement include South Street, Upper High Street and Derby / Oaks Square.</u> Leisure and cultural facilities, and other family friendly uses that contribute to the evening economy will be supported.'	Change proposed after the hearing by 15 October To provide clarity to the 'specific locations'.	Minor

		Suitable locations for such uses include South Street and Derby / Oaks Square.'			
29	Policy E7, page 36	First sentence: 'The areas where there are opportunities for higher buildings, up to a maximum height of 16 metres, are defined on the Proposals Map'.	'The areas where there are opportunities for higher buildings, up to a maximum height of 16 metres, are <u>indicated</u> on the Proposals Map'.	Suggested to convey the boundaries as being indicative	Minor
30	Policy E7, page 37	Third bullet point 'The Conservation Area (where appropriate)'	'The Conservation Area (where <u>applicable</u>)'	Agreed at hearing To improve clarity	Minor
31	Para 4.41, page 37	'It should be noted that the existence of a higher building in a particular location does not justify its replacement with a building of equivalent height, or for new high buildings in the same area. Areas where maximum heights buildings	'It should be noted that the existence of a higher building in a particular location does not justify its replacement with a building of equivalent height, or for new high buildings in the same area. Areas where maximum heights buildings will be considered are set out on Map 9. <u>In relation to building height, proposals which fall across and/or are immediately adjacent to the maximum height boundaries will be considered on a case by case basis. Discussions with the Council at an early stage are encouraged to ensure appropriate heights are achieved</u>'.	Suggested following the Inspector's request for further clarity on how Policy E7 will address proposals that cross the identified boundaries.	Minor

		will be considered are set out on Map 9’.			
32	Para 4.42, page 38	‘The Council is working towards producing a Climate Change Strategy, which will set out a comprehensive programme of measures to reduce carbon emissions.’	‘The Council has adopted the Surrey Climate Change Strategy and a local Climate Change Action Plan, which will set out a comprehensive programme of measures to reduce carbon emissions.’	Agreed at hearing To reflect the latest position	Minor
33	Policy E9, page 39	<p>‘The Council will work with partners to ensure a high quality, well designed and well connected public realm, to improve the character, appearance and overall attractiveness of the Town Centre.</p> <p>Proposals for new development will, where appropriate deliver:</p> <ul style="list-style-type: none"> • The rationalisation of existing street 	<p>‘The Council will work with partners to ensure a high quality, well designed and well connected public realm, to improve the character, appearance and overall attractiveness of the Town Centre.</p> <p>Proposals for new development will, where appropriate deliver:</p> <ul style="list-style-type: none"> • The rationalisation of existing street furniture and paving • Biodiversity enhancement, particularly through planting and the creation of green corridors • Public art at prominent locations throughout the Town Centre and through the design of new buildings • Improvements to the visual attractiveness and use of public open space • Improvements to the visual appearance 	<p>Change proposed after the hearing by 15 October</p> <p>To provide clarity on the use of the wording ‘where appropriate’ and the relationship with the Developer Contributions Supplementary Planning Document, Community Infrastructure Levy and the Infrastructure Delivery Plan.</p>	Minor

		<p>furniture and paving</p> <ul style="list-style-type: none"> • Biodiversity enhancement, particularly through planting and the creation of green corridors • Public art at prominent locations throughout the Town Centre and through the design of new buildings • Improvements to the visual attractiveness and use of public open space • Improvements to the visual appearance of buildings in the Town Centre, particularly those within the Conservation Area in line with the Conservation Area Appraisal 	<p>of buildings in the Town Centre, particularly those within the Conservation Area in line with the Conservation Area Appraisal and Management Plan</p> <p><u><i>Developers are encouraged to discuss with the Council at the earliest opportunity which public realm enhancements may be the most appropriate, as improvements may be made as part of a scheme, through financial contributions or a combination of both.</i></u></p> <p>The Council has produced a schedule of public realm improvements for the Town Centre as part of Plan E's Infrastructure Delivery Plan. New development proposals within the Town Centre boundary will make a financial contribution to these public realm improvements <u><i>in accordance with the Developer Contributions Supplementary Planning Document, or whichever future mechanism is adopted.</i></u></p>
