

# Epsom & Walton Downs

## Cyclists

**C**yclists may only use public roads, bridleways and authorised routes which are shown on maps located in the car parks on the Downs and on the reverse of this leaflet.

**B**yelaws forbid riding on all other parts of the Downs.

**P**lease be aware at all times that cycling can cause conflict with other users - particularly racehorses. Special care should be taken when cycling near horses, especially racehorses, which are easily frightened. Please watch your speed and always respond to requests from the Downskeepers to avoid danger to yourself and others.

Frances Rutter  
Clerk to the Conservators  
June 2010
