|  | Orange |
|  | Tmobile |
|  | Vodafone |

Rollout Plan and Mast Register

The Borough Council is provided annually (usually in November) with information showing the areas within Epsom and Ewell where the five telecommunications operators are likely to propose new equipment within the following year.

This information is made available in order that communities and elected Members can be involved in discussions with operators regarding the siting and design of equipment, prior to the formal submission of the proposals to the Council.

It should be noted that the maps indicate areas of search for new sites, and not specific locations, and thus the precise siting of equipment can be influenced at an early stage in the site identification process.

For further details regarding each search area, the operators concerned should be contacted directly, and their details are provided below.

The Council has compiled this plan based upon the information supplied by the operators. It shows the approximate 'areas of search' for the siting of new telecommunications equipment in the Borough and is colour coded to indicate which operators are looking in which areas. The purpose of the plan is to improve the amount of coordinated and accessible information available on telecommunications to borough residents. The plan was prepared in November 2006 and was accurate at that time. However it is possible that changes will occur during the course of the year, for example due to changes in operator requirements. The operators will be expected to consult fully on any proposals that arise, which are outside the identified 'areas of search' on the plan.

This map has been produced for information purposes only. However should you require further information on any of the search areas you are advised to contact the operator direct.

T-Mobile - 0870 321 6047
Orange - 0800 783 5021
3 - 0845 604 3000
O2 - 0113 388 6780
Vodafone - 01635 676 457

If you wish to make specific comments on any proposal, you are invited to contact your [Borough Councillor](#) or to send your comments to planningmailbox@epsom-ewell.gov.uk
