

LEISURE LISTINGS

A directory of leisure facilities
and organisations in the
Borough of Epsom & Ewell

Welcome

Welcome to our latest edition of Leisure Listings.

This booklet is an A-Z of leisure opportunities within Epsom & Ewell. We hope you will find it a useful source of information and would be grateful for any comments or suggestions you may have for future editions.

We believe all the information which has been provided by clubs and organisations, to be correct at the time of publication. Inclusion into Leisure Listings does not endorse any products or services. The information within this booklet can also be found on our website along with a page dedicated to the work that Leisure Developments are involved with. This includes coaching courses, club development and other leisure opportunities.

There is a free booklet available specifically for 13-19 year olds called 'Read Me Cos You Need Me' packed full of information on everything from music, film and sport to health, personal safety and volunteering. For your free copy please ring us on the number below.

We endeavour to keep all information in this booklet and on our web-page as up to date as possible but rely on groups to inform us of any changes. If there are any amendments or new activities to be included, please complete the form on the inside back page or contact us on the number below.

Leisure Developments

The Leisure Developments Team works closely with leisure and sporting organisations as well as local education establishments, uniformed organisations and voluntary groups. The team aims to provide opportunities for all ages and abilities and has a particular focus on young people.

Each year the Leisure Developments Team works in partnership with local sports clubs to enter a Borough squad in the P&G Surrey Youth Games that are held in June. This is a festival of sports where Epsom & Ewell participate against the 10 other districts and boroughs within Surrey. The Games are open to young people aged 7-15 years, who live or go to school within the Borough. The P&G Surrey Youth Games is a great opportunity for young people to try a new sport, develop further sports specific skills and learn more about the local sports clubs available to them.

Working in partnership with other key agencies, the Leisure Developments Team also organises youth events such as Youth Leisure Day (known as YLD Xtreme). This is an annual event in July where young people are encouraged to experience new activities. These have included activities such as live bands, a BMX stunt display team, street dance and a rodeo bull to name a few.

Leisure Developments aspires to create sporting and leisure opportunities that are safe, sustainable and accessible to all. The team work in partnership with the local community to provide opportunities for those individuals living, employed or educated in Epsom & Ewell to participate, enjoy and achieve their chosen level of sport or leisure activity.

If you would like any further information please visit www.epsom-ewell.gov.uk or call the Contact Centre on 01372 732000.
