Subject: Plan E Proposals Map - Plan E Plan Area Boundary

Attachments: proposals map 2 July 2010.pdf

Dear John

As per our discussion earlier today, please find enclosed a revised version of the Plan E proposals map, which incorporates a defined Plan Area Boundary as requested by the Inspector.

The Council believes that the enclosed map addresses the issue identified by the Inspector.

The Council is preparing to advertise this as a matter of clarification as advised by the Inspector. I can confirm that I have contacted the Planning Inspectorate who suggest that the Council publish notification of the six week consultation period in a local newspaper and notify those parties who have an interest in Plan E (including stat cons) of the amendment.

Given the Plan E programme and our wider timetable, I would like to start consultation on this amendment on Friday 9 July 2010, to run until Friday 20 August 2010. In order to meet this, we would need to submit an advert to the press before 5.00 PM Tuesday 6 July 2010, to ensure publication on Thursday 8 July 2010.

Many thanks
