

STONELEIGH ATHLETIC FC

Easter Holiday Football Camp

Monday 9th to Wednesday 11th April 2018, 9am to 3pm (drop-off 8.30 – 9am)

Auriol Park, Salisbury Road

Catering to boys and girls aged 4 to 10 years old, our Football Camp is for children of all abilities. It gives players the chance to learn the basics of the game, from qualified FA coaches who are DBS cleared. We provide a safe environment for children to learn new skills and improve techniques, whilst having lots of fun. We are particularly keen for girls to join us who want to join a team or just to try it out.

What will your child learn?

The day is split into morning and afternoon sessions. During the morning the children will work on a specific topics and skills, including dribbling, passing, running with the ball, shooting, defending and attacking, using fun games. The afternoon session will focus on small-sided games, where children get the chance to put all they have learnt into practice.

These sessions give the children the chance to take part in physical activities during the school holidays and to spend time practicing their football skills. It also gives them the opportunity to socialise with friends, and interact and work together with children from different schools and football teams.
