About the park	Gibraltar Recreation Ground consists of 2 halves, one being a park with a pavilion, bowls club and football/cricket pitches that is locked overnight, the other half is open 24 hours a day and has a well-developed playground, netball/tennis courts and an outdoor gym.

History

The ground between Ewell's West Street and the railway had been used for sport many years before it was adopted by local government. On the 1866 OS map 3 of the fields were marked as cricket grounds and had been purchased by West Surrey Cricket Club. Over the years the grounds were extended to include a bowling green, tennis courts, football and cricket pitches, and a children's play area.

Awards
