Introduction

1. On 25 March 2021 the Government announced a new COVID-19 Additional Relief Fund of £1.5 billion. The fund will be available to support those businesses affected by the pandemic but that are ineligible for existing support linked to Business Rates.
2. The legislation required for this relief forms part of The Rating (coronavirus) and Directors Disqualification (Dissolved Companies) Act 2021, which was given royal assent on the 15 December 2021.
3. The £1.5 billion will be allocated to local authorities based upon the estimated rateable value in each local authority rating list which falls within the scope of the fund. Epsom & Ewell Borough Council have been allocated £1,603,743 million.
4. Government will, in line with the eligibility criteria set out their [guidance](#), reimburse, by way of a Section 31 grant, local authorities where relief is granted using discretionary relief powers under section 47 of the Local Government Finance Act 1988.
5. The guidance requires for individual billing authorities to adopt a local scheme and determine in each individual case whether, having regard to the government guidance and their own local scheme, to grant relief under section 47. The relief is available to reduce chargeable amounts in respect of 2021/22.
6. This document provides a scheme of how it will be administered locally

Which properties will benefit from relief?

1. In developing and implementing our scheme the government have outlined some basic qualifications, in order for the funding of the relief to be reimbursed from the section 31 grant:
 - not award relief to ratepayers who for the same period of the relief either are or would have been eligible for the Extended Retail Discount (covering Retail, Hospitality and Leisure), the Nursery Discount or the Airport and Ground Operations Support Scheme (AGOSS),
 - not award relief to a hereditament for a period when it is unoccupied (other than hereditaments which have become closed temporarily due to the government's advice on COVID-19, which should be treated as occupied for the purposes of this relief), and
 - direct their support towards ratepayers who have been adversely affected by the pandemic and have been unable to adequately adapt to that impact.
2. In line with the legal restrictions in section 47(8A) of the Local Government Finance Act 1988, billing authorities may not grant the discount to themselves, certain precepting authorities (e.g. a parish or county council) or a functional body, within the meaning of the Greater London Authority Act 1999.

3. The relief should be applied after mandatory reliefs and other discretionary reliefs funded by section 31 grants have been applied, excluding those where billing authorities have provided relief using their wider discretionary relief powers introduced by the Localism Act 2011 which are not funded by Section 31 grants.

Application process

6. Our application will be available on our website at www.epsom-ewell.gov.uk.
7. All businesses who wish to be granted the relief must complete an online application. There is no other way an application can be made.
8. All applications must be received by 14 February 2022. No further applications will be accepted after this time.

Amount of relief available

9. The amount of relief will be based on the RV of the property a business is occupying and the nature of the business
10. Relief will be awarded at 30% of the residual Business Rates charge remaining after all other mandatory and Section 31 Business Rates Reliefs have been applied to a Business Rates Account.

Period of Relief

11. All relief will be awarded from the 01 April 2021 to the 31 March 2022.
12. If the business has not been liable for this whole period their award will be pro-rata'd to reflect the Business Rates Liability.
13. Awards will also be pro-rata'd to reflect any period when the property is unoccupied.

How the award will be made

14. All successful awards will be applied to the qualifying Business Rates Account.
15. There is no cash alternative to this relief.

Notification of decision

16. Successful applicants will be issued with an updated Business Rates Adjustment Notice showing the award has been applied to their Business Rates account. Instalments on notices already issued must be maintained until and updated notice is issued, to prevent recovery action being taken against the account.
17. Those applicants who do not qualify for the relief, will receive written notice by e-mail as to the reasons they have not qualified.

Subsidy Control

18. The COVID-19 Additional Relief Fund scheme is subject to the subsidies chapter within the UK-EU Trade and Cooperation Agreement (TCA).
19. However, for COVID-19 Additional Relief Fund scheme there is an exemption for subsidies under the value of approximately £2,243,000 per economic actor (broadly speaking, for example, a holding company and its subsidiaries). This allowance comprises 325,000 Special Drawing Rights (at current exchange rates about £343,000) for Small Amounts of Financial Assistance and a further £1,900,000 for COVID-19 related subsidy.
20. Therefore, to be awarded Covid-19 Additional Relief Fund Scheme you must not have claimed over the period 2019/20 to 2021/22 more than £2,243,000 from schemes which fell within the Small Amounts of Financial Assistance or COVID-19 related allowances. COVID-19 business grants you have received from local government and the 2019/20 Retail Relief should count towards this limit, but you should not count any Extended Retail Discount you have received since 1 April 2020. Further details of subsidy control can be found at:
<https://www.gov.uk/government/publications/covid-19-additional-relief-fund-COVID-19-Additional-Relief-Fund-scheme-local-authority-guidance>
21. In your application for Covid-19 Additional Relief Fund Scheme you must indicate:
 - if you have not to date received any subsidy which fell within the Small Amounts of Financial Assistance or COVID-19 related allowances, confirm this in your application, or
 - if you have received other such subsidies, then you should provide the name and total value of those subsidies.
22. You must not apply for Covid-19 Additional Relief Fund Scheme using this form if you have already exceeded the £2,243,000 allowance. However, we will still consider applications for support under the Covid-19 Additional Relief Fund Scheme if you have reached this limit provided you can evidence that you:
 - Intend to use the support to fund uncovered fixed costs (costs not covered by profits for insurance etc) during the period of COVID-19. Economic actors may claim for up to 70% of their uncovered costs (although this 70% limit does not

apply to small businesses with less than 50 employees and less than £9 million turnover where the limit is instead 90%), and

- have shown a decline in turnover of at least 30% within the April 2020 to March 2021 period, compared to the same 2019 to 2020 period.

23. You may claim up to a further £10 million of additional allowance (on top of the £2,243,000) if you meet the above tests and you have not claimed any other support from the additional allowance up to an aggregate £10 million limit (such as from the COVID-19 business grants).

24. The Government and Epsom & Ewell Borough Council will not tolerate any business falsifying their records or providing false evidence to gain this discount, including claiming support above these thresholds. A ratepayer who falsely applies for any relief, or provides false information or makes false representation in order to gain relief may be guilty of fraud under the Fraud Act 2006.

Cancellation and repayment

25. The Epsom & Ewell Borough Council and the Government will not accept deliberate manipulation and fraud. Any applicant caught falsifying their records to gain Business Rates Relief or found to be awarded the relief incorrectly will be subject to clawback.

26. Post payment assurance checks may be undertaken. The Government's Counter Fraud Function may support local authorities to carry out post-event assurance work to identify high risk awards

27. In making an application, applicants understand that their details may be shared with central government departments for monitoring, statistics and evaluation purposes

Complaints and reviews

28. No formal appeal rights exist. However, the Council recognises that applicants should be entitled to have a discretionary decision reviewed if dissatisfied with the outcome.

29. Only the applicant or authorised agent may request a review against the decision not to award relief.

30. Requests to have a decision reviewed must be made within two weeks of the notification of decision.

31. Any requests for a review of a decision must be in writing via email to businessrates@epsom-ewell.gov.uk specifying reasons why a decision should be amended and supported by relevant new or additional evidence.

32. Reviews will be deemed complete, and the original decision upheld, if further evidence requested from the applicant has not been received within 14 days of the request

33. Requested reviews against decisions, will be considered by Revenues & Benefits Manager
34. A full written explanation of the outcome of the review will be provided within 14 working days of the receipt of the written request.
