

Notice That The Public Inspection Period Has Not Been Commenced

Under section 26 of the Local Audit and Accountability Act 2014, any persons interested have a right at the audit of the accounts each year to inspect the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records.

Regulations 14 and 15 of the Accounts and Audit Regulations 2015 (as amended) require that this right (and associated rights) are exercisable over a single period of 30 working days, commencing no later than 1 July 2025.

The Council has been unable to commence the public inspection period by this statutory date because the unaudited 2024/25 Statement of Accounts are not yet ready for publication, owing to a staffing resource issue.

The Council is working to complete its unaudited 2024/25 Statement of Accounts as soon as possible (expected to be in early July 2025) and will commence the period of public inspection as soon as practicable following publication of the 2024/25 accounts.
