

Notice of Public Inspection Rights at Audit – 29 May 2020

The period for the exercise of public rights under the Local Audit and Accountability Act 2014 is normally required to include the first 10 working days of June. However, because of the potential impact of covid-19 on local authorities' ability to have prepared their draft Statement of Accounts by the end of May, the requirement has been suspended for 2020.

Once the draft Statement of Accounts are prepared, a further notice will be published on the Council website to advertise the new period for the exercise of public inspection rights at audit.
