3. Level and elements of remuneration for each senior officer

- 3.1 All staff are employed on an Epsom & Ewell Borough Council contract of employment and therefore are subject to PAYE. All employees are on local conditions and the pay structure applies to all employees, including Chief

Officers. The grade allocated to a post is determined by the qualifications, skills and knowledge required as outlined in a role profile and person specification. The Council has a job evaluation scheme which is used to evaluate the grades of posts.

- 3.2 For the purposes of this policy statement, all references to “Chief Officers” is taken to include the Chief Executive, Chief Operating Officer and Heads of Service and is detailed in the Council’s Constitution, Part 7, Management Structure. There are currently 11 roles and the salary scales are set out in the table below for each role:

Post	Bottom of salary range p.a.	Top of salary range p.a.
Chief Executive	£102 644	£120 365
Chief Operating Officer	£82 426	£96 731
Heads of Service	£63 759	£73 860

- 3.3 In addition to basic pay these officers may receive the following benefits, where applicable:
- Payment into the pension scheme (employer’s contribution at 17.4% of pensionable pay) if the employee has opted in and pays contributions at the required employee level themselves
 - Chief Executive and Chief Operating Officer lump sum payment of 4% of basic salary in respect of subsistence and other expenses thereby reducing administration and providing a cap on the cost
 - Payment of up to two annual subscriptions to professional institutions where this has clear benefit to the job. Costs of memberships vary but most are around £200.
 - Monitoring Officer and Section 151 Officer allowance of 15% of basic salary for the additional responsibilities for the statutory requirements of each role
 - Lump sum payment is for the requirement to have a car for the effective performance of duties. The amount varies according to the role of the individual. The Council no longer offers car allowances to its new employees but does have some historical allowances for longstanding post holders.
- 3.4 Our policy is to pay appropriately to attract competent and experienced senior staff to lead the organisation, we do not aim to be in the upper quartile of payment levels locally but nearer the mid-point or median.
- 3.5 We recognise that the cost of housing in Epsom & Ewell is amongst the highest in the Southeast and that we are within commuter distance of London and the higher salaries there, and we take this into account when determining salary levels from the benchmarking information.
- 3.6 The overall consideration is what is reasonable and financially affordable.

4. Remuneration of chief officers on recruitment

- 4.1 Our policy is to appoint at the bottom of the salary scale, or near the bottom taking into account relevant skills and experience, progression through the grade is subject to successful performance in accordance with our performance management scheme.
- 4.2 On occasion it may be necessary to appoint above the bottom point, in this case consideration will be given to the justification for doing so and will dependent upon factors such as experience and market conditions.
- 4.3 Appointments to the post of Chief Executive are made by the Council. Appointments of Directors can be made by an Appointments Panel and appointments of Heads of Service is the responsibility of the Chief Executive.

5. Increases and additions to remuneration for each chief officer

- 5.1 Cost of living pay increases for all staff are considered every four years (in line with the Council's Pay Policy for 2020-24) through consultation with the Staff Consultative Group, which is made up of employee representatives and is the body which the Council consults with on terms and conditions of employment and other employee related matters.
- 5.2 The latest financial forecasts include an annual 2% cost of living increase for 2020/1 – 2024/5 and this is based on the Government's target for CPI.
- 5.3 Based on CPI figure for September 2019, a 1.7% cost of living increase will be applied to the pay scales for 2020/21.
- 5.4 When determining pay awards we take into account financial affordability as well as the increase in cost of living for all staff.
- 5.5 All employees (including Chief Officers) can be awarded a single increment on the salary scale annually. This is dependent on satisfactory performance with no automatic progression through grades. All employees are expected to perform their duties to a satisfactory standard to progress through the grade.
- 5.6 Once an employee reaches the top of their salary scale there is no opportunity for further progression, however, any cost of living increase will apply.

6. The approach to the payment of chief officers on their ceasing to hold office or to be employed by the authority

- 6.1 Our Managing Workforce Change policy sets out a consistent method of calculating redundancy pay which uses the Modified Statutory Redundancy ready reckoner which is applied to all redundant employees including Chief

Officers. The level of redundancy pay is calculated on weekly earnings using the statutory system. The payment is intended to recompense employees for the loss of their livelihood and provide financial support whilst they seek alternative employment.

- 6.2 The Council has a Local Government Pension Scheme Discretions Policy which is applicable to all employees, including Chief Officers.

7. The publication of and access to information relating to remuneration of chief officers

- 7.1 Our annual pay policy statement will be published on the website where it can be easily accessed by any interested parties such as tax payers and external organisations.
- 7.2 Information about Chief Officer remuneration is also published as part of the Final Statement of Accounts. The pay scales for all employees can also be found on the website.

8. Pay multiple (ratio) between Chief Officers' pay and all other employees

- 8.1 The pay of all employees is set according to the Council's pay scales. There is a fixed relationship between each point on each of the grades there are no predefined pay ratios between different groups of employees or specific posts.
- 8.2 The bottom of our lowest pay scale is £19,231 and the top of the Chief Executive scale is £120,365 is a pay multiple of 1:6.3.
- 8.3 This is well within the maximum ratio 1:20 identified as a maximum pay multiple in the Hutton Review of Public Sector Pay.
- 8.4 As at 30 November 2019 the mean average pay for employees other than Chief Officers was £28,067; therefore currently the ratio of mean average Chief Officer pay to mean average pay of other employees was 1:2.5.

NB The mean average pay for employees other than Chief Officers in 8.4 may fluctuate throughout the year

9. Election fees

- 9.1 Fees in respect of the role of Returning Officer for, borough and county elections are paid separately from and in addition to the relevant officer's salary package.
