Setting the Scene

Our History

Ewell Court House with its fascinating past offers the perfect retreat from the hustle and bustle of everyday life. Set in beautiful, historical grounds complete with fountains, cascades, rock pools and its own secret Grotto, the Grade II listed house stands proud at the entrance to the extensive Green flag parkland.

Its colourful history dates back to the late 1730s when Alexander Bridges moved into the original building on the land, Avenue House. In 1892, John Henry Bridges, who was high in County society, remodelled the house to make it suitable for grand Victorian entertaining.

Capacity

Ewell Court House can accommodate 90 guests for your wedding breakfast and 120 guests for an evening party. The maximum seating available for ceremonies is 100.
