PLAY FOR TEAM EPSOM & EWELL

15-16 June

'Glorious hot day, fun with friends, good sportsmanship, fantastic coaching, well played hockey'

Clare and Austen, parents of participant

The Specsavers Surrey Youth Games is the largest sports competition for young people in Surrey.

Young people aged 6-16 can take part in a range of sports and improve their skills whilst receiving free coaching! Teams will then be selected in each of the sports with selected participants given the chance to represent Team Epsom & Ewell and take on the 10 other boroughs and districts in Surrey.

The training sessions are led by local sports clubs. Each club offers participants a chance to play their chosen sport after the Games have finished. Training sessions will take place from April. The Specsavers Surrey Youth Games weekend will take place on the 15-16 June in Guildford.

To be eligible to represent Team Epsom & Ewell participants must live or go to school in the borough, be of sub-county standard and not a club member in their chosen sport. Please note that each sport has its own specific eligibility requirements.

Take a look at the list of sports available and register to take part now!
