PLAY FOR TEAM EPSOM & EWELL 13-14 June

The Specsavers Surrey Youth Games is the largest sports competition for young people in Surrey.

Young people aged 6-16 can take part in a range of sports and improve their skills whilst receiving free coaching! Teams will then be selected in each of the sports with selected participants given the chance to represent Team Epsom & Ewell and take on the 10 other boroughs and districts in Surrey.

Training sessions start from April and are led by local sports clubs. The Specsavers Surrey Youth Games finals will take place on the weekend of 13-14 June.

To be eligible to represent Team Epsom & Ewell participants must live or go to school in the borough, be of sub-county standard and not a club member in their chosen sport. Please note that each sport has its own specific eligibility requirements.

Take a look at the list of sports available and register to take part now!
